Memberships are the most important support you can give to the Groves.
Whatever we do, our membership numbers affect our influence with authorities – municipal, provincial, federal and corporate.

If you or your friends and visitors use the Groves shouldn't you help?
We need funds just for the day to day—posts, signage, tools, and more.

There are always new demands – improve parking lot; upgrade old trail and more.
All the efforts take money.

YOU can help:

Become a Member - we have several levels of membership and the 'upper' ones will get you a tax receipt and so cost you even less.

Donate - any amount will help

We encourage you to print out some extra forms and give them to your friends too.

DON'T FORGET - STAY POSTED AT <http://secheltgroves.com/>

Note: Tax deductible receipts are issued:

a) For donations from members of \$10 or more over the membership fee

b) To those not joining for \$10 or more.
